# Head of the Boarding School Holiday Message

December 18, 2025

Dear Boarding Parents and Guardians,

Our boarders have departed for the December Break—some for the very first time and others for their final holiday season at Havergal. As many of your daughters travel across the globe to return home or remain nearby, we hope this time allows them to rest, reconnect, and enjoy the people and moments that bring them joy. Whether the break is filled with travel, family time, quiet rest and relaxation, or celebration, we hope it provides exactly what each student needs. We are incredibly proud of our boarders and all they have accomplished including the vibrant and supportive community they continue to build.

Parents, you will receive an update from their daughter's Boarding Advisor, sharing reflections on her life and experiences in Boarding.

Finally, a reminder that the Boarding School reopens on Monday, January, 5 at 4 pm. Students are expected to return by 8 pm. If there is a change in your daughter's travel plans, please email the [Boarding School](#).

Wishing you a joyful holiday season and we look forward to welcoming your daughter back in the new year.

Sincerely,

Nicole Folkes and the Boarding Team
